Redvers Interiors are agents for Kaye and Stewart Premier Pocket Beds.

This top of the line mattress is produced by master craftsmen using traditional techniques.

Using natural fabrics the beds are manufactured to comply with the British Standard BS7177 (2008) to Ignition Source 5 making them suitable for the hotel, leisure and hospitality industry.

Divan bases are available in a range of fabrics and depths, or an ottoman option can alleviate storage problems. Alternatively, choose a bedframe from our range on Redvers Home online shop.

Upholstered headboards are available to match upholstered bases.
