

Prospect House

A photograph of a bedroom interior, dimly lit. In the center is a large bed with a white quilted duvet and a dark, patterned throw blanket draped over the left side. The bed has a simple wooden headboard and is flanked by two bedside tables. Each table holds a lamp with a white shade and a geometric base. Above the bed, two framed artworks are hung on the wall. The overall atmosphere is quiet and elegant.

A huge extension on this period property needed to be given a way to flow from the old to the new.
